MEMORANDUM OF UNDERSTANDING (MOU)

Between

TAGORE ENGINEERING COLLEGE (TEC) AND TAGORE  
COLLEGE OF ARTS AND SCIENCE (TCAS)

Date: 14/6/2024  
Location: Chennai

1. Purpose

This Memorandum of Understanding (MOU) is entered into between Tagore College of Arts and Science (TCAS) (hereinafter referred to as "TCAS") and Tagore Engineering College (TEC) (hereinafter referred to as "TEC") to outline the terms and conditions under which students from Tagore College of Arts and Science (TCAS) pursuing the following courses:

- Bachelor of Computer Applications (B.C.A)
  - Bachelor of Science (B.Sc.) in Computer Science with Data Science
  - Bachelor of Science (B.Sc.) in Computer Science
- will undergo robotic training at Tagore Engineering College, in accordance with the agreement outlined in this MOU.

## **2. Scope of Collaboration**

This collaboration involves the training of Tagore College students in the field of robotics, as part of the curriculum enhancement and skill development programs for the following courses:

- **B.C.A**
- **B.Sc. Computer Science with Data Science**
- **B.Sc. Computer Science**

The training will be conducted by experts and faculty members from Tagore Engineering College in a well-equipped training environment.

## **3. Objectives of the Training Program**

- To provide hands-on training and practical exposure to the latest robotics technologies.
- To bridge the gap between theoretical knowledge and real-world applications in the field of robotics.
- To enhance the career prospects of students by equipping them with advanced knowledge and skills in robotics.
- To encourage innovation and problem-solving abilities among students by engaging them in practical robotic projects.

## **4. Responsibilities of Tagore College**

- To ensure that eligible students from the B.C.A, B.Sc. Computer Science with Data Science, and B.Sc. Computer Science programs are made available for the training sessions.
- To provide necessary logistical support for the students, including transportation and coordination with Tagore Engineering College.
- To ensure that students comply with the policies and guidelines set by Tagore Engineering College during the training sessions.

## **5. Responsibilities of Tagore Engineering College**

- To provide state-of-the-art robotic training facilities and resources necessary for the program.
- To appoint qualified instructors and trainers to lead the training sessions.

- To ensure the training schedule is communicated clearly to both Tagore College and the students in advance.
- To issue certificates of completion for the students who successfully complete the robotic training program.
- To impart basics of Line Follower Robot and Light Following Robot

## **6. Duration of the Program**

The training program will begin on 14<sup>th</sup> June, 2024 and will continue for a period of 3 Months, subject to any amendments agreed upon by both parties.

## **7. Confidentiality**

Both parties agree to keep confidential any proprietary information shared during the collaboration, including but not limited to training materials, project data, and student performance information, unless otherwise agreed upon in writing.

## **8. Financial Arrangements**

The financial terms, including the fees for training, will be decided and agreed upon by both parties and outlined in a separate agreement if necessary.

## **9. Termination**

Either party may terminate this MOU by providing a [Insert number of days] written notice to the other party. In such an event, any ongoing commitments will be honored, and students currently in training will be allowed to complete their course.

## **10. Dispute Resolution**

Any disputes arising out of or in connection with this MOU will be resolved through mutual consultation and negotiation between both parties. If the dispute cannot be resolved through negotiation, the matter will be referred to mediation or arbitration.

## 11. Amendments

Any amendments or modifications to this MOU must be agreed upon in writing and signed by authorized representatives of both parties.
